POLICY STATEMENT:

Prisoners in Correctional Facilities Administration (CFA) facilities may receive visits from family members and members of the public, subject to reasonable restrictions to maintain order and security.

POLICY:

DEFINITIONS

- A. Emancipated Minor - A minor who is married, on active duty with the armed forces of the United States, or for whom a court has issued an order of emancipation.
- B. Immediate Family Member - A grandparent, parent, stepparent, spouse, mother-in-law, father-in-law, child, step-child, grandchild, sibling, step-sibling, and half-sibling. An aunt and uncle may be included if adequate verification is provided that they served as a surrogate parent.
- C. Qualified Clergy - Leaders of a religious organization or entity such as a church, mosque or synagogue, or persons who have been granted clergy status by a recognized religion and have ecclesiastical endorsement from a religious authority. This does not include anyone who is self-ordained or designated as clergy by a prisoner.

GENERAL INFORMATION

- D. This policy does not apply to prisoners in the Special Alternative Incarceration Program (SAI). Visits for prisoners in SAI shall be as set forth in PD 05.01.142 "Special Alternative Incarceration Program".

VISITOR TRACKING SYSTEM

- E. CFA shall maintain a computerized visitor tracking system to track and control the prisoner visiting process, including identifying persons approved to visit and on visit restrictions. The CFA Deputy Director shall establish standards for its use.
- F. Each facility shall maintain a manual visitor tracking system to be used if the computerized system is inoperable.

APPROVED VISITORS LIST

- G. Except as set forth in Paragraphs M and N, a prisoner shall only be allowed to visit with those persons who have been approved for placement on the prisoner's approved visitors list. The prisoner shall complete a Visitor List (CAJ-334) identifying those immediate family members and not more than ten others from whom s/he would like to receive visits. The prisoner shall submit the completed form to designated housing unit staff. Only those persons identified on the prisoner's list shall be considered for approval to visit. The prisoner shall be allowed to add or delete names of immediate family members from the list at any time. The prisoner shall be allowed to add or delete other names at least once every

six months.

- H. The MDOC Visiting Application (CAJ-103) shall be made readily available to prisoners and proposed visitors at each facility. Each person named on the Visitor List who wants to visit the prisoner must complete the MDOC Visiting Application and submit it to the facility where the prisoner is housed. The form must be received sufficiently prior to the visit to allow for necessary review, approval, and placement on the prisoner's approved visitors list by facility staff.
- I. Upon receipt of a properly completed Visitor List and MDOC Visiting Application, facility staff shall determine if the proposed visitor is eligible for placement on the prisoner's approved visitors list. This includes attempting to confirm the relationship of those identified by a prisoner as being immediate family members by reviewing the prisoner's file. If there is inadequate documentation in the file to confirm the relationship, the prisoner or family member shall be required to provide the documentation necessary to adequately confirm the relationship.
- J. A proposed visitor shall be approved for placement on the prisoner's approved visitors list if all of the following criteria are met:
 - 1. The proposed visitor is not subject to a current visitor restriction.
 - 2. The proposed visitor is not a prisoner or a former prisoner in any jurisdiction. However, a prisoner or former prisoner who is an immediate family member may be placed on the prisoner's approved visitors list with prior approval of the Warden of the facility where the visit will occur.
 - 3. The proposed visitor is not on parole or probation in any jurisdiction as a result of a felony conviction. However, a parolee or probationer who is an immediate family member may be placed on the prisoner's approved visitors list with prior approval of the Warden of the facility where the visit will occur and written approval of the supervising field agent.
 - 4. The person is 18 years of age or older, an emancipated minor, or the child, step-child, grandchild, sibling, step-sibling, or half-sibling of the prisoner. However, a minor child, step-child, grandchild, sibling, step-sibling, or half-sibling of the prisoner shall not be approved for placement on the prisoner's approved visitors list under any of the following circumstances:
 - a. The Department is notified that there is a court order prohibiting visits between the child and prisoner;
 - b. The Department is notified that the parental rights of the prisoner for the child have been terminated;
 - c. The prisoner has been convicted of child abuse, criminal sexual conduct, or any other assaultive or violent behavior against the child or sibling of the child unless an exception has been granted by the Director upon request of the Warden. The Warden will be notified in writing if an exception is granted.
 - 5. The proposed visitor is not on another prisoner's approved visitors list except as an immediate family member. In other words, a visitor may be on the list of all prisoners who are immediate family members, but only on the list of one prisoner who is not an immediate family member.
 - 6. If the proposed visitor is a Department employee, s/he may visit only as set forth in the Employee Handbook.
 - 7. If the proposed visitor is a volunteer, s/he may visit only as set forth in PD 03.02.105 "Volunteer Services and Programs".

- K. Notwithstanding Paragraph J, the Warden may deny placement of anyone on a prisoner's approved visitors list for the safety or security of the facility, protection of the public, previous violations of visiting room rules by the proposed visitor, or for other reasonable cause as determined by the Warden. Wardens shall advise the appropriate Regional Prison Administrator (RPA) in writing whenever a person is denied placement on a prisoner's approved visitors list pursuant to this paragraph and shall include the basis for the denial.
- L. The proposed visitor shall be provided with a copy of the completed MDOC Visiting Application, indicating whether s/he has been approved for or denied placement on the prisoner's approved visitors list. If denied, the MDOC Visiting Application shall contain the reason for the denial. The prisoner also shall be advised in writing if the proposed visitor is not approved for placement on his/her approved visitors list. A prisoner may appeal a denial through the prisoner grievance process. A proposed visitor may submit a written request for reconsideration of a denial to the Warden.
- M. The Warden may allow a visit between a prisoner and a person who is not on the prisoner's approved visitors list if the Warden determines that it is in the best interest of the prisoner and is not a threat to the good order and security of the facility. A visitor may be allowed only one such visit with a prisoner. Subsequent visits with the same prisoner by that visitor shall require placement on the prisoner's approved visitors list in accordance with this policy.
- N. The following persons shall be allowed to visit a prisoner without being on the prisoner's approved visitors list, except if the person is related to the prisoner by blood or marriage, is on probation or parole in any jurisdiction as a result of a felony conviction, or is a prisoner:
1. Qualified clergy.
 2. A volunteer in an outreach program that is sponsored by an external religious organization.
 3. An attorney, or representative acting on the attorney's behalf, on official business with the prisoner.
 4. An official representative of the legislative, judicial, or executive branch of government on official business with the prisoner.

Such visits shall not be counted as one of the prisoner's regular visits. Except for volunteers in an outreach program, the above persons may visit outside of standard visiting hours with prior approval of the Warden or designee.

REMOVAL FROM APPROVED VISITORS LIST

- O. A person approved for placement on a prisoner's approved visitors list shall be removed from the approved visitors list if s/he sends a written request to the facility at which the prisoner is located. The listed person shall be removed from the prisoner's approved visitors list within five business days after receipt of the request. The prisoner and the listed person shall be notified in writing that the listed person was removed from the prisoner's approved visitors list at his/her request.
- P. A person approved for placement on a prisoner's approved visitors list shall be removed from the list if the Department receives reliable information that the visitor is no longer eligible for placement on the prisoner's approved visitors list. Both the prisoner and the visitor shall be notified in writing of the reasons for the removal. The prisoner may appeal the removal through the prisoner grievance process. The visitor may submit a written request for reconsideration to the Warden.

REQUIRED IDENTIFICATION PRIOR TO VISIT

- Q. Except as set forth in Paragraph R, all visitors shall be required to present a valid pictured driver license, state identification card, military identification card, or passport for identification verification prior

-----------------------------------	------------------------------	---------------------	--------------

to each visit. Similarly reliable valid pictured identification may be used for identification verification as approved by the Warden.

- R. An original or a certified true copy of a birth certificate, certificate of adoption, or a court order establishing paternity shall be required for identification verification prior to each visit for a visitor under the age of 18 who does not have valid pictured identification to present.
- S. In addition to the identification required in Paragraph Q, an attorney shall be required to present his/her state bar card, and a representative acting on the attorney's behalf also shall be required to present a letter on official letterhead from the attorney or law firm, to qualify for a visit pursuant to Paragraph N.
- T. In addition to the identification required in Paragraph Q, a member of the clergy may be required to provide written verification of his/her clergy status upon request of the Warden or designee to qualify for a visit pursuant to Paragraph N.

VISITING ROOM OPERATION

- U. The CFA Deputy Director shall establish Department-wide standards for visiting room operation which are consistent with this policy and which shall be enforced at all facilities. The standards shall identify general visiting information that each facility shall make available to visitors in writing in both English and Spanish versions. The standards also shall, at a minimum, address the following:
 - 1. Visiting hours.
 - 2. Number of visits allowed.
 - 3. Number of visitors allowed per visit.
 - 4. Proper attire and conduct of visitors and prisoners during a visit.
 - 5. Property which visitors and prisoners are allowed to bring on a visit.
- V. During contact visits, physical contact between prisoners and visitors is prohibited except for one kiss and one embrace between a prisoner and each of his/her visitors at the beginning and end of each visit and when a picture is being taken. In addition, a prisoner and his/her visitor are permitted to have their arms around the shoulders of one another and may hold hands. A prisoner who is a parent also may appropriately touch and hold his/her child if under two years old and bottle feed his/her infant while visiting. Corporal punishment of any type is prohibited and shall result in an immediate termination of the visit.
- W. A prisoner shall be allowed to visit only with his/her own visitors; "cross visitation" with another prisoner's visitor(s) is prohibited. Except for a brief greeting at the start or end of a visit, conversations with other prisoners or other prisoners' visitors shall be prohibited.
- X. Prisoners and visitors, including children two years of age or older, shall be assigned a specific seat or table in the visiting area.
- Y. Prisoners and visitors shall be closely monitored at all times to ensure that contraband is not passed and that inappropriate behavior does not occur. This may include assigning a prisoner a seat or table in the area closest to the officer's station to permit continuous monitoring if the prisoner presents a special concern, including if the prisoner is visiting with a child and has a history of criminal sexual conduct or other assaultive or violent offense against a child. However, custodial supervision and control shall be as unobtrusive as possible consistent with custody and security controls. All visitors shall be treated courteously and assisted promptly.

SEARCHES

- Z. Prisoners and visitors shall be searched in accordance with PD 04.04.110 "Search and Arrest in Correctional Facilities".

HOSPITAL VISITS

- AA. A prisoner who is hospitalized may receive visitors who meet the requirements of this policy only if the prisoner is critically ill, as verified by the attending physician, and with prior approval of the Warden or Deputy Warden of the facility providing custody coverage. The Warden or Deputy Warden shall consult with the Warden or Deputy Warden of the facility at which the prisoner is permanently housed before deciding whether to approve the visit. Approval shall be granted for visits to conduct official business with an attorney or his/her representative and with qualified clergy of the prisoner's designated religion or whom the prisoner specifically requests to see, subject to Paragraph N.
- BB. Approved visits shall be scheduled by the Warden or Deputy Warden of the facility providing custody coverage at the convenience of staff, prisoners, and visitors, and for a length of time as determined by the Warden. Custodial staff shall be present at all times during the visit.

NON-CONTACT VISITING

- CC. Prisoners who are housed in a security level V facility or housing unit, are serving a disciplinary sanction in punitive segregation (detention), or are classified to administrative segregation shall be limited to non-contact visits, except that a contact visit shall be allowed with an attorney upon request of the attorney subject to Paragraphs N and EE.
- DD. The Warden shall limit a prisoner of any security level to non-contact visits for a period of 30 days if the prisoner is found guilty of a major misconduct violation of substance abuse for behavior that occurred on or after August 27, 2003, except that a contact visit shall be allowed with an attorney upon request of the attorney subject to Paragraphs N and EE.
- EE. The Warden may limit a prisoner of any security level to non-contact visits under the following circumstances:
1. When visiting an immediate family member or an attorney who is subject to a visitor restriction.
 2. When a search of a visitor cannot be conducted due to the presence of a cast, prosthetic device, oxygen tank, or any medically required device.
 3. When the prisoner is being monitored for suicidal behavior and non-contact visiting is determined by the Warden, after consultation with appropriate health services staff, to be necessary to ensure the prisoner's physical safety.
 4. When it is determined by the Warden, based on a review of a hearing officer's finding of guilt of a major misconduct charge or upholding of a visitor restriction, that a prisoner or visitor demonstrates unmanageable behavior that is related to contact visiting.
- FF. Wardens of facilities that do not have permanent non-contact visiting areas must have sufficient portable non-contact visiting booths to accommodate prisoners limited to non-contact visiting for the reasons set forth above, except that portable non-contact visiting booths shall not be used if the visitor is subject to a permanent visiting restriction.
- GG. If a hearing officer upholds a visitor restriction for conduct occurring during a non-contact visit, the prisoner and restricted visitor shall not be permitted any visits during the time period of the visitor restriction.

DISALLOWED/TERMINATED VISITS

- HH. Visits may be terminated based on visiting room overcrowding. If this occurs, the visit which began first shall be terminated first with the exception of visitors who have traveled 400 miles or more round trip. All visits shall be terminated any time the siren is sounded, and visitors must leave the facility and grounds immediately.
- II. A visit shall be disallowed (i.e., not permitted to occur) or shall be terminated for any of the following reasons:
1. The prisoner does not want to visit.
 2. If the visitor is a minor child, step-child, grandchild, sibling, step-sibling, or half-sibling of a prisoner but is not accompanied by an adult immediate family member of the child or his/her legal guardian who is on the prisoner's approved visitors list, unless the child is an emancipated minor and can show adequate proof of emancipation.
 3. The prisoner or visitor appear to be intoxicated or under the influence of a controlled substance.
 4. The prisoner or visitor fails to comply with a requirement of this policy, including CFA visiting standards, or the Department's administrative rules.
 5. The visitor directs verbally abusive language at staff, prisoners, or other visitors.
 6. The prisoner commits a major misconduct violation in the visiting room.
 7. Reliable information has been received that the purpose of the visit is to commit an illegal act. The appropriate RPA shall be advised in writing whenever a visit is disallowed or terminated for this reason.
- JJ. If circumstances permit, supervisory staff shall verbally explain the reason for a visit being terminated or disallowed at the time it occurs.
- KK. If the visitor is involved in the conduct for which the visit is terminated or disallowed, the visitor shall not be allowed to visit at that facility for the remainder of that day and may be subject to a 90-day or permanent restriction of visits to all facilities if the requirements in Paragraphs MM through UU are met.
- LL. If the prisoner is involved in conduct for which a visit is terminated or disallowed, s/he shall be given a major misconduct report for the violation(s) committed. A hearing shall be conducted pursuant to R 791.3315. The hearing officer shall consider imposing a sanction of loss of visiting privileges if the prisoner is found guilty of a major misconduct which was received in relation to a visit.

VISITOR RESTRICTIONS AND REQUIRED HEARINGS

- MM. A visit shall be terminated or disallowed and the prisoner and visitor notified that the facility will be requesting a 90-day restriction of the visitor's visits with all prisoners if any of the following occur:
1. The visitor makes a false statement with respect to visiting.
 2. The visitor damages or attempts to damage Department property or engages in disruptive behavior while on Department property.
 3. The visitor removes or attempts to remove any item from the institution that is not authorized by the institution.

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 01/01/2007	NUMBER 05.03.140	PAGE 7 OF 10
-----------------------------------	------------------------------	---------------------	--------------

- NN. In the situations described below, a visit shall be terminated or disallowed and the prisoner and visitor notified that the facility will be requesting a permanent restriction of the visitor's visits with all prisoners:
1. The visitor smuggles, conspires to smuggle, or attempts to smuggle any item into or out of the facility. Staff shall ensure that the Michigan State Police are notified in accordance with PD 04.04.110 "Search and Arrest in Correctional Facilities" if the item is believed to be illegal contraband.
 2. The visitor assaults staff or others or threatens them with physical harm.
 3. The visitor assists, conspires to assist, or attempts to assist, a prisoner to escape.
 4. The prisoner or visitor touches or exposes the breasts, buttocks, or genital area during a visit. Touching that is incidental to a brief embrace permitted at the beginning and end of a visit shall not be subject to this restriction.
 5. The visitor has a pending felony or misdemeanor charge or has been found guilty of a felony or misdemeanor that occurred in connection with a visit. The restriction shall be removed if the visitor provides proof that the charge has been dismissed or that the charge resulted in a not guilty finding.
- OO. The behavior described in Paragraphs MM and NN, numbers 1 through 3, need not have occurred in connection with a visit. For example, a person who leaves contraband in another area of the facility grounds for the prisoner to pick up, mails contraband to a prisoner, or discusses escape plans with a prisoner over the telephone may be subject to a visitor restriction.
- PP. A visitor subject to a proposed visitor restriction shall be temporarily restricted from all visits pending a visitor restriction hearing.
- QQ. If the incident leading to the proposed visitor restriction involved both the prisoner and the visitor, the prisoner shall be sent a Notice of Proposed Visitor Restriction (CSJ-315A) in addition to receiving a major misconduct report. The visitor shall be sent the Notice of Proposed Visitor Restriction, a copy of the misconduct report, and notice of the date of the visitor restriction hearing via first class mail to the address the visitor provided the facility at the time of the visit. Both the prisoner and the visitor are entitled to hearings conducted pursuant to R 791.3315. The major misconduct hearing and the visitor restriction hearing shall be scheduled on the same date if possible.
- RR. If the incident leading to the proposed visitor restriction involved the visitor only, both the visitor and the prisoner shall be sent a Notice of Proposed Visitor Restriction (CSJ-315A) and notice of the date of the hearing. The notice to the visitor shall be sent via first class mail to the address the visitor provided the facility at the time of the visit. In all cases, the hearing investigator shall obtain a written statement from the prisoner to be presented at the hearing. The prisoner may be present at the visitor's hearing if the hearing officer finds that the prisoner's presence is required.
- SS. A hearing investigator shall be assigned in all visitor restriction hearings. The hearing investigator shall ensure that the notices required in Paragraphs QQ and RR are appropriately sent and that all relevant documents and other evidence are present at the hearing, including any written information submitted by the visitor that the visitor wants considered. The hearing investigator at the facility where the hearing is held shall retain a copy of the hearing investigation for at least two years from the date of the hearing.
- TT. The visitor restriction hearing shall be conducted by a hearing officer in the State Office of Administrative Hearings and Rules, Department of Labor and Economic Growth. The hearing shall be conducted within 30 business days after the date that notice of the hearing is mailed or given to the visitor, unless the hearing officer determines there is good cause for delay, or relevant time requirements are waived by the visitor or prisoner, as appropriate.

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 01/01/2007	NUMBER 05.03.140	PAGE 8 OF 10
-----------------------------------	------------------------------	---------------------	--------------

1. If the hearing officer does not uphold the visitor restriction or if the hearing is not conducted within 30 business days, absent a finding of good cause for delay or a waiver of the time requirements, a visitor restriction will not be imposed. The temporary restriction shall be removed and visits restored immediately. The Warden may request a rehearing in accordance with PD 03.03.105 "Prisoner Discipline".
 2. If the visitor restriction is upheld, a Notice of Visitor Restriction (CSJ-315B) shall be given to both the prisoner and the visitor. If a 90-day restriction is imposed, the 90 days shall include the time the visitor was on a temporary restriction. Either the prisoner or visitor may request a rehearing in accordance with PD 03.03.105.
- UU. If a visitor restriction is upheld at a hearing, the visitor restriction shall be entered into the computerized visitor tracking system.
- VV. After consultation with the Director, the CFA Deputy Director may authorize removal of a permanent visitor restriction upon written request of the restricted visitor or the Warden, or on his/her own initiative. A restriction shall not be removed until at least one year after the date of the incident; however, a restriction for any of the following shall not be removed until at least three years after the date of the incident:
1. Smuggling, conspiring to smuggle, or attempting to smuggle a controlled substance, alcohol, a weapon, escape paraphernalia, cellular telephone or other communication device, or money over \$10 into a facility.
 2. Assault of, or threatening to assault, staff or others.
 3. Assisting, or conspiring or attempting to assist, a prisoner to escape.
 4. A felony conviction for the behavior by the prisoner or visitor which resulted in the visitor restriction.
- WW. A restricted visitor may request removal of a visitor restriction by sending a written request to the Warden of the facility where the prisoner with whom the visitor wants to visit is located.
1. If the restricted visitor is eligible for removal of the visitor restriction pursuant to this policy, the Warden shall make a written recommendation to the CFA Deputy Director. The CFA Deputy Director shall determine if the restriction should be removed and shall notify the Warden of his/her determination. If denied, the CFA Deputy Director shall ensure that the Warden is notified when the restricted visitor may reapply for removal. The Warden shall ensure that the restricted visitor is notified of the CFA Deputy Director's determination and, if applicable, when the visitor may reapply for removal.
 2. If the restricted visitor is not eligible for removal of the visitor restriction, the Warden or designee shall notify the visitor in writing of his/her ineligibility and if/when the visitor will be eligible to apply for removal.

DIRECTOR'S RESTRICTION OF ALL PRISONER'S VISITS

- XX. Except as set forth in Paragraph AAA, the Director may restrict all of a prisoner's visits if the prisoner is convicted or found guilty of any of the following:
1. A felony or misdemeanor that occurred during a visit.
 2. A major misconduct violation that occurred during a visit or was associated with a visit.
 3. Escape, attempted escape, or conspiracy to escape.

-----------------------------------	------------------------------	---------------------	--------------

4. Two or more violations of the major misconduct charge of substance abuse for behavior that occurred on or after January 1, 2007, which do not arise from the same incident. This includes failure to submit to substance abuse testing.
- YY. If a prisoner has been convicted or found guilty of the conduct set forth in Paragraph XX, the Warden shall recommend that all of the prisoner's visits be restricted. S/he shall submit the recommendation, along with all supporting documentation, to the CFA Deputy Director for review as soon as possible but no later than 14 calendar days after the conviction or guilty finding. If the CFA Deputy Director agrees that the restriction is warranted, the recommendation shall be submitted to the Director for a final determination.
- ZZ. The CFA Deputy Director shall ensure that the Warden is notified of the Director's determination and that any restriction is entered into the computerized tracking system. The Warden shall ensure the prisoner is notified of the Director's determination.
- AAA. A prisoner whose visits have been restricted by the Director shall be allowed visits only with attorneys or his/her representative and qualified clergy in the manner set forth in this policy.
- BBB. The Director may remove a restriction upon written request of the Warden or the restricted prisoner, subject to the following:
1. The restriction shall not be removed if it is based on a felony or misdemeanor that occurred during a visit or if it is based on an escape, attempted escape, or conspiracy to escape associated with a visit.
 2. The restriction shall not be considered for removal until at least two years after imposition of the restriction by the Director if it is based on two or more violations of the major misconduct charge of substance abuse, if one or both of the charges were for possession or use of any prohibited substance other than alcohol, or if one or both of the charges were for refusal to submit to substance abuse testing; however, if the prisoner was found guilty of another major misconduct for substance abuse or a non-bondable major misconduct during the period of time his/her visits were restricted by the Director, the restriction shall not be considered for removal until the prisoner has been free of such misconduct for a two year period.
 3. The restriction shall not be considered for removal until at least six months after imposition of the restriction by the Director if it is based on a major misconduct that occurred during a visit or was associated with a visit, if it is based on an escape, attempted escape, or conspiracy to escape not associated with a visit, or if it is based on two or more violations of the major misconduct charge of substance abuse if the charges were for possession or use of an alcoholic beverage; however, if the prisoner was found guilty of another major misconduct for substance abuse or a non-bondable major misconduct during the period of time his/her visits were restricted by the Director, the restriction shall not be considered for removal until the prisoner has been free of such misconduct for a six month period.
- CCC. Wardens shall ensure all visitor restrictions imposed by the Director on prisoners at their respective institutions are reviewed approximately one month prior to the date the restriction may be considered for removal pursuant to Paragraph BBB. For each prisoner, the Warden shall submit a recommendation to the CFA Deputy Director as to whether the restriction should be removed. The CFA Deputy Director shall review each referral and make a written recommendation to the Director for a final determination. It is within the Director's discretion whether to remove the restriction.
- DDD. A prisoner eligible for removal of a restriction imposed by the Director based on the criteria set forth in Paragraph BBB and, if applicable, Paragraph FFF, a prisoner may request removal of the restriction by sending a written request to the Warden of the institution where the prisoner is housed. The request shall be referred to the Director consistent with the requirements set forth in Paragraph CCC; the referral shall include the prisoner's written request if one was submitted. If the prisoner is not eligible for

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 01/01/2007	NUMBER 05.03.140	PAGE 10 OF 10
-----------------------------------	------------------------------	---------------------	---------------

removal of the restriction, the Warden or designee shall notify the prisoner in writing of his/her ineligibility and if/when the prisoner will be eligible to apply for removal.

- EEE. Whenever a restriction of all of a prisoner's visits is authorized to be removed by the Director, the Warden shall ensure the restriction is removed at the end of the appropriate time period so visits can resume immediately, unless the prisoner has a pending non-bondable major misconduct charge or, if the restriction was imposed due to substance abuse violations, a pending substance abuse major misconduct charge. If the prisoner is found not guilty of the charge(s), the restriction shall be removed as soon as possible but no later than five business days after the not guilty finding. In all other cases, the Warden shall ensure that the Director is notified of the disposition of the charge as soon as possible but no later than five business days after the hearing is concluded. The Director will determine if the restriction is to be removed.
- FFF. Whenever the Director decides not to remove a restriction of all of a prisoner's visits, the restriction may be removed by the Director at the conclusion of an additional one year period or, if restricted for two or more substance abuse violations based solely on possession or use of an alcoholic beverage, an additional six month period, provided the prisoner continues to remain free of non-bondable major misconduct and, if the restriction was imposed due to substance abuse violations, free of misconduct for substance abuse. This one year/six month period shall begin to run at the conclusion of the two year/six month misconduct-free period identified in Paragraph BBB. Wardens shall ensure the restrictions are reviewed approximately one month prior to the end of the one year/six month period in the same manner as set forth Paragraph CCC.
- GGG. The CFA Deputy Director shall ensure that the Warden is notified of the Director's final determination and that the information is entered into the computerized visitor tracking system. The Warden shall ensure that the prisoner is notified of the final determination and, if applicable, when s/he may reapply for removal of the restriction.

NOTICE TO PRISONERS OF VISITATION REQUIREMENTS

- HHH. This policy, the Department-wide visiting standards established pursuant to Paragraph U, and the facility's operating procedures implementing this policy directive shall be made available to a prisoner within 24 hours after arrival at a facility.

OPERATING PROCEDURES

- III. Wardens shall ensure that procedures are developed as necessary to implement requirements set forth in this policy directive; this shall be completed within 60 calendar days after the effective date of the policy directive. This requirement includes ensuring that their existing procedures are revised or rescinded, as appropriate, if inconsistent with policy requirements or no longer needed. Local procedures shall not conflict with procedures issued by the Director or Deputy Director.

AUDIT ELEMENTS

- JJJ. A Primary Audit Elements List has been developed and is available on the Department's Document Access System to assist Wardens with self audit of this policy pursuant to PD 01.05.100 "Self Audit of Policies and Procedures".
